Welcome!!

The team at American Animal Hospital would like you to *Paws a Moment* to reflect on the joy and happiness your furry friends bring into your life. We enjoy assisting you in keeping your pets healthy and helping them to live a strong life. To learn more about the staff at AAH, please check out our website at www.ameranimal.com

Exotics News!!

Beginning in January of this year, American Animal Hospital is welcoming exotics.

If you have an exotic member in your household, we would love to meet them. Ferrets, bunnies, snakes, rodents, etc. We will help you to care for them. Please note this does not include venomous pets.

When you bring in your exotic pet, we do ask that they come in a carrier for their own safety. If you do not have a carrier, just ask. We'd be happy to lend one out to you.

This is an exciting time for AAH. We look forward to meeting more of your pet family. Feel free to call with any questions you may have.

American Animal Hospital team

Our Re"furrr'al Program

Our new referral program is underway. If you are a current client of American Animal Hospital, we are offering a \$25 credit per visit toward services on your account for each new client you introduce to American Animal Hospital. The new client will in turn, receive \$25 off services on their second visit (within six months of their first).

On your next visit to our clinic, pick up a Re"furrr'al Card, fill out the back of the card and pass it on to your friend. When your friend presents the card at their first visit, \$25 will be credited to your account. More information and the Re"furrr'al cards are also available on our website
